FORD LIBRARY EXPANSION

Why should I donate?

COMMUNITY CENTER

Ford Library programs bring together people from different walks of life to strengthen and enrich our community.

The Ford Library brings in grant funding for youth afterschool and summer programs.

A meeting place in Southern Seneca County for social services, tutors, and health navigators.

OPEN 50 hours/week

TECHNOLOGY CENTER

The Ford Library levels the playing field by providing free access to computers, software, one-on-one tech help, and computer classes.

28% of homes in Seneca County can't get Internet service - even if they can afford it.

The Ford Library provides 24/7 Wi-Fi access & high speed Internet.

EQUAL ACCESS

Our society exchanges ideas through print, digital, and video content. **The Ford Library ensures that everyone can engage in the conversation**, regardless of ability to buy books and media services.

YOU MAKE THE DIFFERENCE!

Our library is expanding to meet the growing needs of this community. We need your help to **educate, empower, engage, to support** entrepreneurs, and **to help** those entering the workforce. Public funding is tight; your personal contributions leverage tax dollars for greater impact.
